**FATHER PADDY:** "Dear Friends, I have been deeply touched by the very warm welcome you gave me during my two weeks here with you. I was taken aback when I learned that you had a special collection for me. Thank you most sincerely for your generosity in that contribution and other individual gifts I received. I will have some expenses to deduct from what you gave. The remaining will go to the general missionary work of St Patrick's Missionary Society. Please be assured that, as well as offering the Masses for individual intentions that you requested, I will offer special Masses for you and keep you in my prayers and Masses".
