**OUR SUNDAY GOSPEL AND LIFE – Mt 28:1-10**

The Easter message gives us hope. We often see death prevailing over life, and so the suffering and death of Christ appeared to be the end of the story on Good Friday. But just when everything seems to end in failure and disappointment, God intervenes and raises his faithful servant from the dead. Thus, Easter presents the Victory of Life over death.

We are the resurrection people and the victory of life must be made manifest in our lives through our faith in Christ and our deeds as we follow Him daily.

*Wishing all Happy and Blessed Easter! – Fr Francis*
