OUR SUNDAY GOSPEL AND LIFE – JOHN 3:16

The Season of Lent helps us to prepare ourselves for the celebration of Easter in a state of grace so that we can enjoy the blessing of the Resurrection. Our journey together in faith towards Easter is a sign that we appreciate that we are loved by God. Jesus Christ is the perfection of God's love and He tells us today about the boundless generosity and profound love of God for us: **“Yes, God loved the world so much that He gave His only Son, so that anyone who believes in him may not be lost but may have eternal life....”**

Easter reminds us that God in Christ will keep loving us and inviting us to believe in Him. Let us celebrate God's love today and celebrate one another in the love of Christ. Let us ask for forgiveness for failing to appreciate God's love. We pray for the grace to love God by believing firmly in Christ. Amen.

Wishing all Happy Sunday! – Fr Francis
